About Low Lux

Founded in 2025, Low Lux is an independent Deep House / Garage label based in CZ/EU. Built on a deep passion for house music that dates back to the late '80s, the label's mission is to connect timeless house traditions with a modern edge. Low Lux is dedicated to soulful grooves, garage-inspired rhythms and late-night atmospheres — delivering high-quality releases for DJs and listeners worldwide.

Primary genres: Deep House / Garage House. **Additional:** Soulful House.

Artist Bio – Zetbee

Zetbee (Zdeněk Budík) has been creating electronic music since the '90s, moving through a wide range of genres and projects. While his production journey has always been rooted in electronic sound, his deepest inspiration comes from house music — a passion that began in the late '80s. Today, he blends soulful elements, funky grooves and refined production into a unique Deep House / Garage style that forms the backbone of Low Lux and defines the label's debut releases.
